File No. RM-\_\_\_\_\_

To: Chief, Allocations Branch

**PETITION FOR RULE MAKING**

Vernon R. Baldwin ("Baldwin") hereby requests the Table of FM Allotments, Section 73.202(b) of the Commission's rules, be amended to add Channel 244A to Annville, Kentucky as the community's first local service. In support of this request, the following is stated:

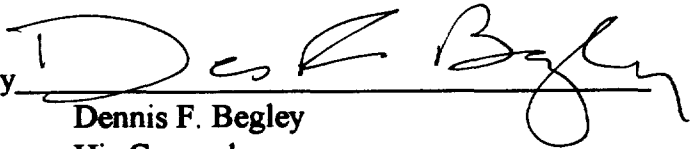

1. Annville is an incorporated community with its own city government. It qualifies under the Commission's rules as a community. It is presently without its own broadcast service.
2. As noted in the attached Engineering Statement of Bromo Communications, Inc., Channel 244A can be assigned to Annville, Kentucky, utilizing a reference point of 37° 14' 40" NL; and 83° 53' 23" WL. From this location, the station will provide city-grade coverage to all of Annville, Kentucky.

2.

3. Upon assignment of the channel to Annville, Kentucky, Baldwin will file an application for the facility and, upon its grant, expeditiously construct the facility.

WHEREFORE, in light of the foregoing, Vernon R. Baldwin respectfully requests that the FM Table of Allotments be amended to add Channel 244A to Annville, Kentucky as the community's first local service.

VERNON R. BALDWIN

**PROPOSED RULEMAKING**  
**Assignment of Channel 244A**  
**Annville, Kentucky**  
November 1998

**INTRODUCTION**

This Technical Exhibit supports the proposal to add Channel 244A to Annville, Kentucky as that community's first local service. Annville (1990 population-470) is located in Jackson County (population 11,955) and this will be the only broadcast facility in Jackson county. The proposed facility will provide a 1.0-mV/m (60 dBu) signal to a population of 57,320 persons within a 2.517 square kilometer area.

**ALLOCATION**

From the proposed allocation point North Latitude 37° 14' 40" and West Longitude 83° 53' 23" all of the provisions of Section 73.207 are met. No other stations are involved in this proposal and no short spacing will occur by this assignment. From the proposed site the entire community of license will receive 3.16 mV/m or greater service from the proposed facility. Exhibit #1 is a tabular form showing the Section 73.207 spacing requirements. Exhibit #2 shows the proposed 3.16 mV/m (70 dBu) contour providing service to the proposed community of license.

**ANNVILLE, KENTUCKY**

Annville is an incorporated community with its own city government. The city has businesses, churches and schools. The Annville is an independent community qualifying as a community under the provisions of the commission's definitions.

---

## PROPOSAL

The following changes are proposed to the FM Table of Assignments:

<u>City</u>	<u>Present</u>	<u>Proposed</u>
<b>Annnville, Kentucky</b>	<b>---</b>	<b>244A</b>
